Sri M. RAMAPPA (Harihar).—Before taking up the normal business of the House for the day, I would like to know what has happened to the adjournment motion.

Mr. SPEAKER.—As far as adjournment motion tabled by Hon'ble Members are concerned, I am just considering. I will let the Hon'ble Members know by tomorrow the result of my examination. I have told Sri Ramappa in my chamber that I would have to consider the point in detail and after considering I would give a reply. I am not following only one set of procedure in this respect. So far as the adjournment motions are concerned, I want to follow different procedures at different times depending on the importance of the subject raised in them.

Sri M. RAMAPPA.—My only request is to give me an opportunity to move the motion in the House.

Mr. SPEAKER.—The point is, that the Hon'ble Member can see me at any time and point out the importance of the adjournment motion. He has the liberty to come and see me in my chamber and I will give him a long hearing. So far as the admissibility of the adjournment motion is concerned, I am led by certain rules and principles in this respect and I will decide it on merits.

Mr. SPEAKER.—The Hon'ble Member is repeating what he has stated in my chamber. It is not my intention to prevent the Hon'ble Member from bringing it to the notice of the House. I have to use my discretion before giving such permission. Usually the adjournment motions are disallowed.
